

EDHEC Family Business Centre Members

EDHEC Business School has enjoyed a **long history of collaboration** with family businesses, extending back **100 years** to its creation by large, family-owned companies in northern France. Many of these companies have gone on to become important global players and like them EDHEC also has also greatly internationalized its activities.

Our Founding Members

The EDHEC Family Business Centre has been created through a **unique partnership** with **families** (the Mulliez Family, Mage-Invest [the Michelin Family]), **family businesses** and companies working closely with family businesses.
